

The perfect place to cook, catch up with friends and family or just chill out!

Situated in the heart of BIG4 West Beach Parks, 'The Hub' replaces the old camp kitchen and offers more space and fantastic facilities for all of our guests.

The public area boasts two BBQs, six stove tops and two ovens, fully air-conditioned, a TV room, three TV screens in the main area and, of course, free Wi-Fi and USB iPhone chargers.

The Hub is open from 7am - 10pm daily with cooking to be finished by 9pm.

Within 'The Hub' there are two private lockable kitchens available for hire.

Hub Kitchen 1 (available for Bunkhouse bookings)

For just **\$100 per night**, you will have access to a large fridge and freezer, industrial oven and stove, bain-marie, commercial dishwasher, large serving and prep area, pots, pans, crockery and cutlery.

Hub Kitchen 2 (available for Dorm bookings)

The smaller of the two kitchens, for just **\$75 per night**, you will have access to a large fridge and freezer, industrial oven and stove, small dishwasher, large serving and prep area, pots, pans, crockery and cutlery.

Want us to look after the catering? West Beach Parks can cater anything from working lunches to cocktail events and banquet dinners to suit all tastes and budgets.
